

CONCRETE PRODUCER SUPPORT

CTS provide technical support for concrete producers throughout the UK and Ireland.

Our highly experienced technologists offer independent advice on material selection and economic concrete design, along with guidance and support for producers seeking to achieve, or maintain third party accreditation.

SERVICES INCLUDE:

- Aggregate Selection Advice
- Production of Mix Data
- Concrete Design
- Laboratory Trials
- Production Control 'CUSUM'
- EN206 Conformity Analysis
- Concrete Producer Start-up
- Guidance on the Route to Third Party Accreditation (BSI, NSAI, QSRMC etc.)
- Factory Production Control Setup to EN206
- Quality Management System (QMS) Setup to ISO9001
- Revalidation of Mix Data
- Assessment Audits
- Training

CTS offer a 'one stop' consultancy and analysis service equipped to deal with ever increasing European Standard & Third Party demands.
